

EMG Issue Management Group on Biodiversity

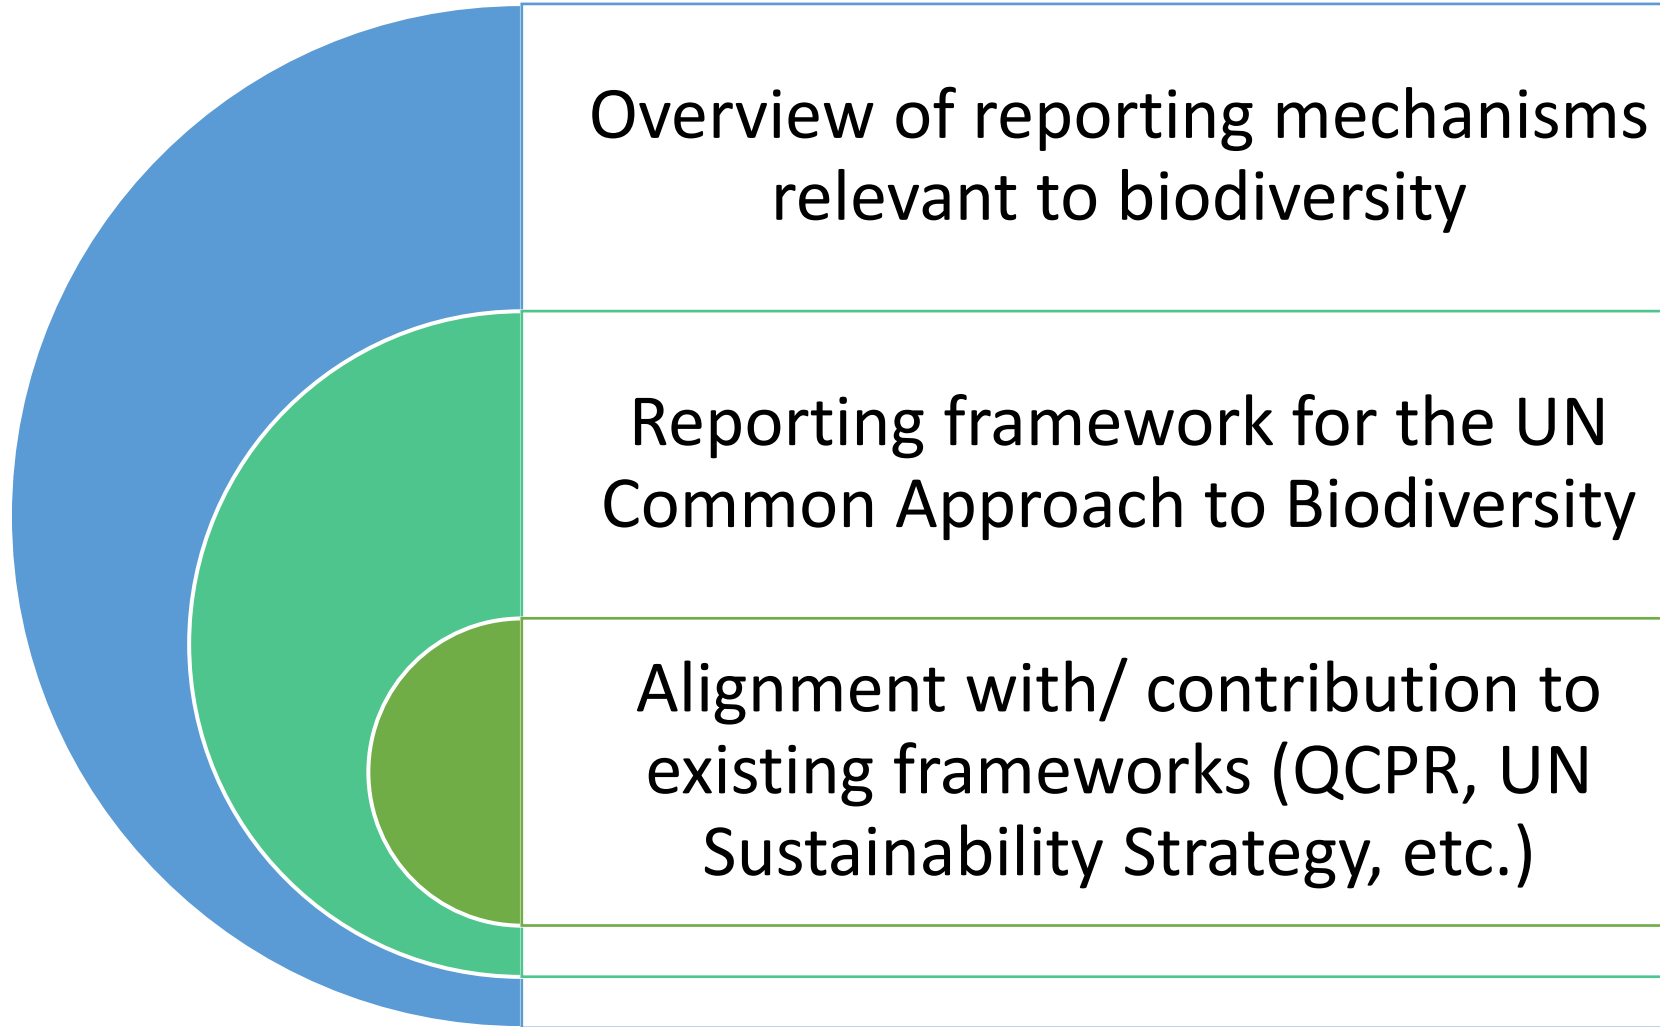

Working Group 2 - Accountability & global-level reporting

1st meeting, 20/01/2022

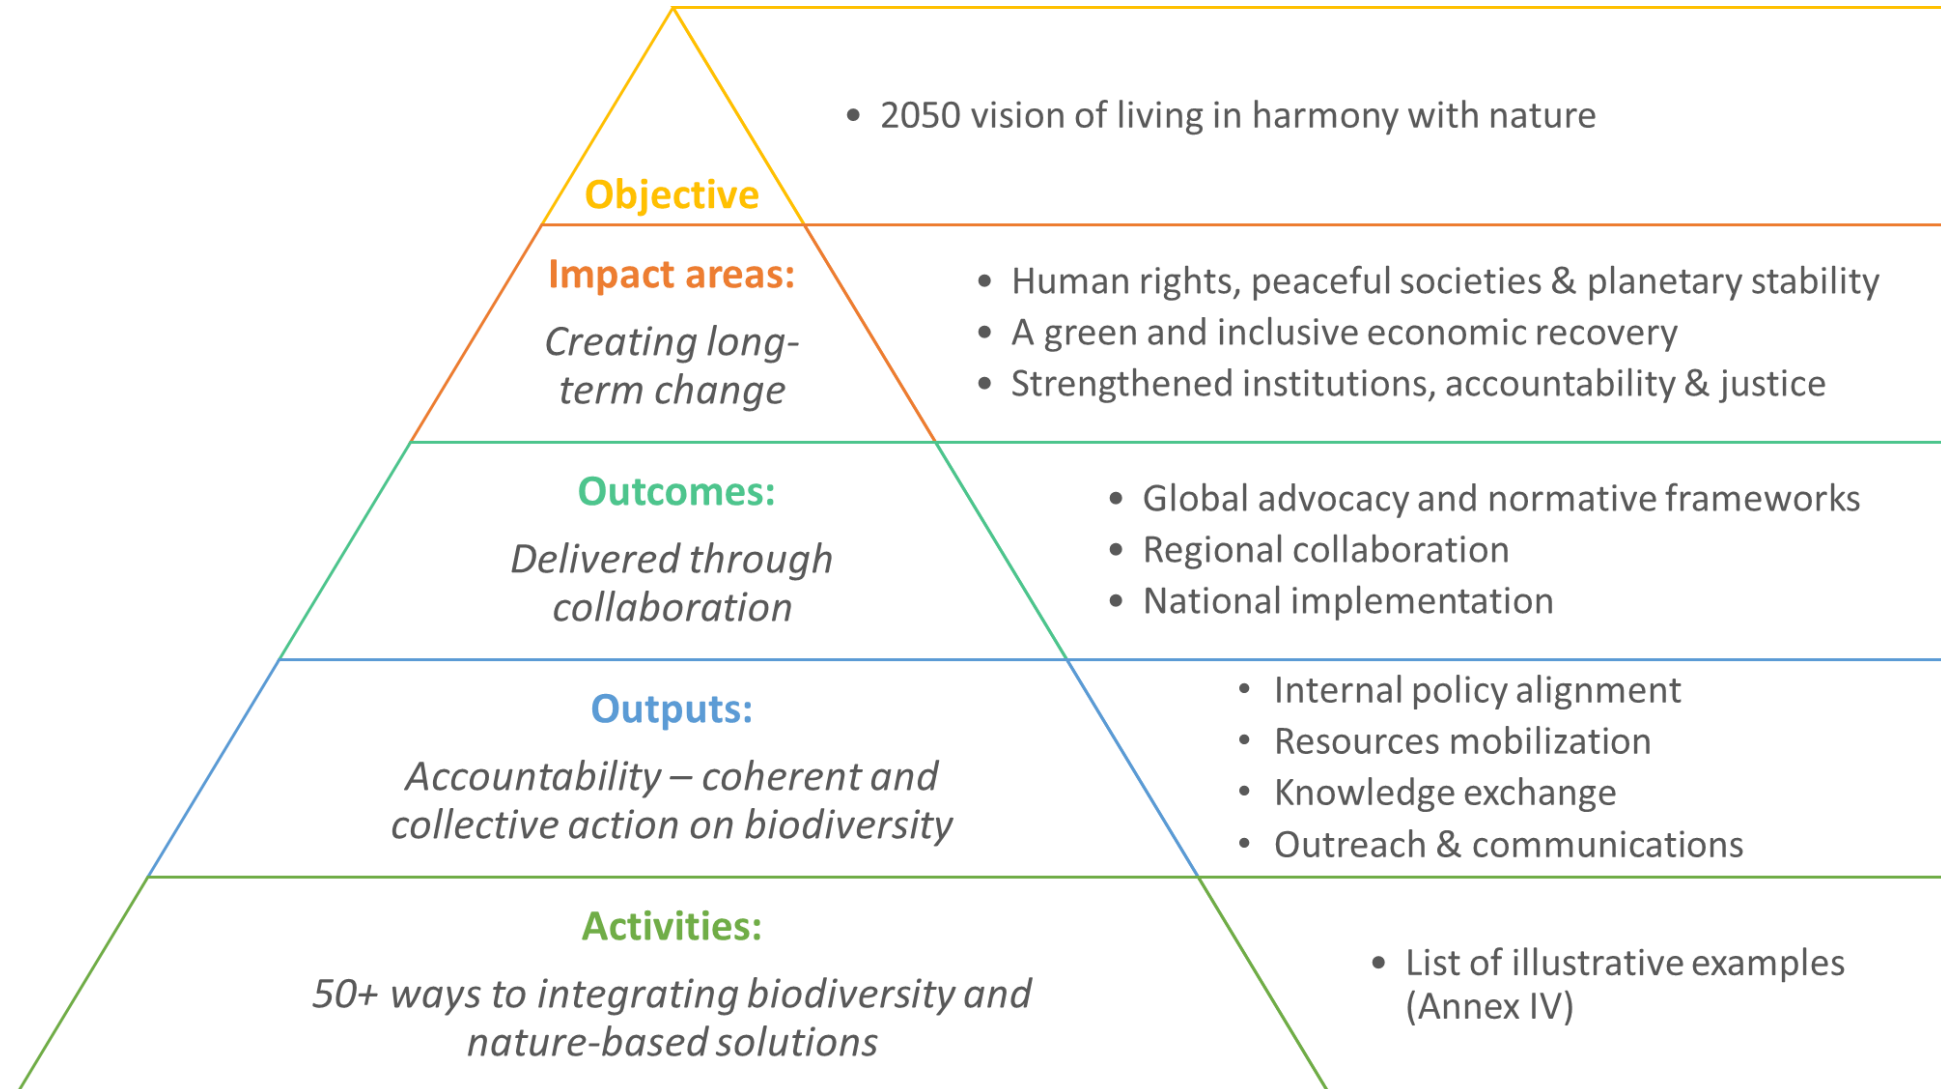

Proposed agenda

1. Welcome words from EMG – Anna Kaplina (EMG)
 2. Presentation of the WP2 of the IMG on Biodiversity – Corli Pretorius (UNEP)
 3. Round table of members and expectations – all
 4. Presentation of UN INFO – Jesse Forsythe (UNDCO)
 5. Presentation of Greening the Blue – Kira Mullally (SUN Facility)
 6. Discussion on next steps and timeline – all
 7. Closing – Corli Pretorius (UNEP)
-

Working Group 2 – Objectives & expectations

The UN Common Approach to Biodiversity – Strengthening vertical coherence

UN INFO: a system-wide digital platform that draws on key datasets on the work of the UN development system

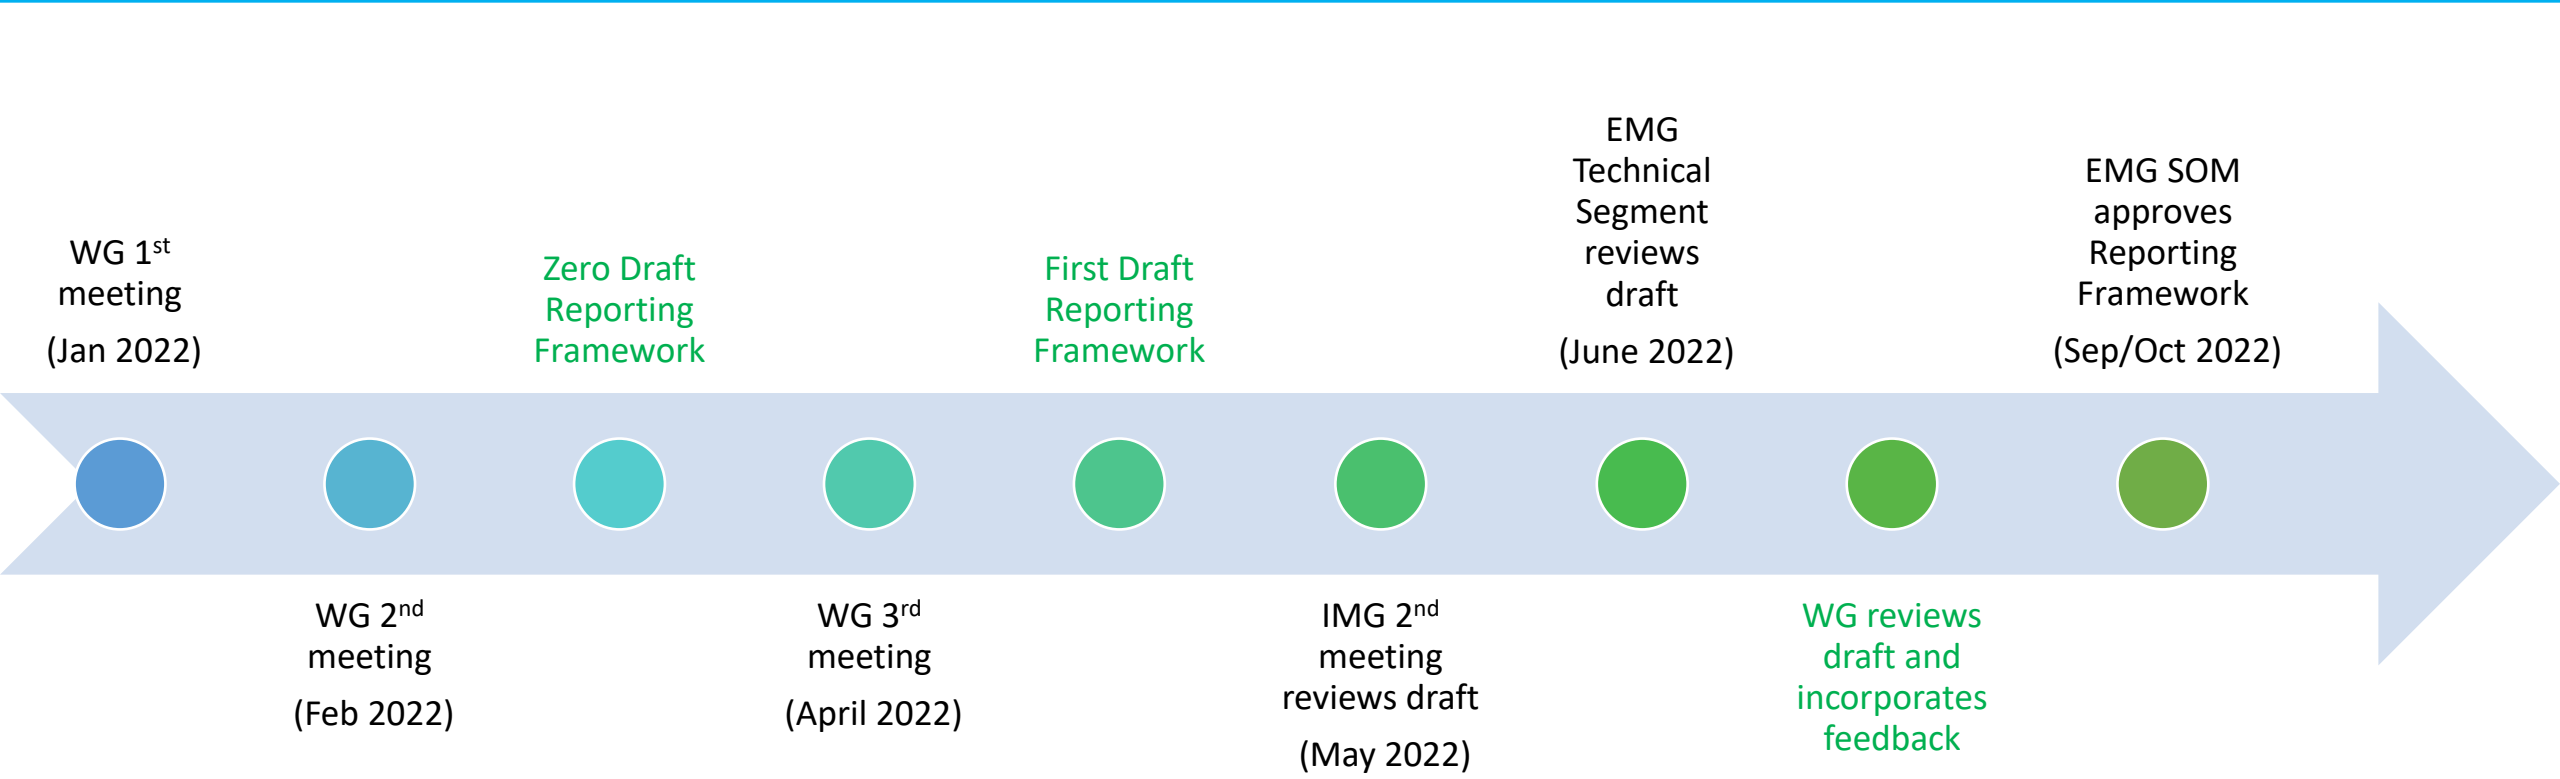

Greening the Blue: an initiative to support the transition towards greater environmental sustainability in the management of UN System facilities and operations

**GREENING
THE
BLUE**

Proposed process & timeline

Next steps

1. Share ideas on conceptual framing of reporting framework
 2. Submit information on data availability, baselines and periodicity of reporting (potentially via a survey?)
 3. Share ideas on additional indicators for collective action on biodiversity
 4. Nominate presenters on innovative reports, dissemination & visualisation
