INTERGOVERNMENTAL FORUM
on Mining, Minerals, Metals and
Sustainable Development

IGF MINING POLICY FRAMEWORK

Reflecting governance standards to ensure mining sector contributes to sustainable development

17 MPFs done
Demand driven
Review in progress

Artisanal and Small-scale Mining

Local Content Policy

Environmental Management (biodiversity, waste, water)

Mine Closure and Post-mining Transition

Environmental and Social Impact Assessment

Tax Base Erosion and Profit Shifting

IGF program areas and guidance documents that support implementation of the 6 key pillars of the MPF.

IGF programs and research initiatives that support key cross cutting themes.

Critical Minerals and Climate Action

Gender Equality

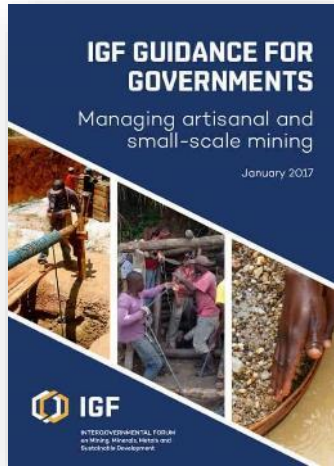

New Technology and Innovation

Tools Developed by IGF

Guidance for Governments

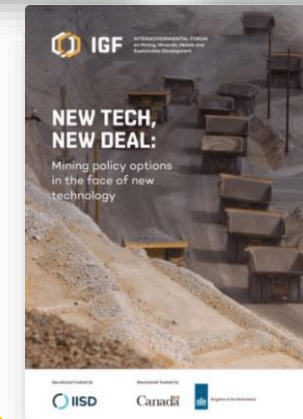

- Artisanal and Small-scale Mining
- Local Content
- Environmental and Social Impact Assessment
- Environmental Management

Other tools

- Guidelines (tax, mine closure, Gender...)
- Pieces of research (New technologies, climate change, critical minerals...)
- Briefing notes
- Case studies

Partnerships
